

IP66 OUTDOOR

MARIOLA

designed by
FERNANDO MARTÍNEZ

OLÉ LIGHTING

With its visible metal structure and the kaleidoscopic weave of sustainable cord, MARIOLA generates a unique light dispersion creating a pleasant atmosphere.

Con su estructura metálica visible y la trama caleidoscópica de cuerda sostenible, MARIOLA genera una dispersión de luz única creando una agradable atmosfera.

OCEANS WITHOUT PLASTIC

Under this slogan we started an initiative that involves the removal of tons of plastic from the environment every year, thanks to our collection of cord made from recycled plastic bottles, collected from the sea and from our environment.

Bajo este lema comenzamos una iniciativa que supone la retirada de toneladas de plástico del medioambiente cada año, gracias a nuestra colección de cuerda fabricada con botellas de plástico recicladas, recogidas del mar y de nuestro entorno.
